Welcome to St Peter's Walking Group

Please accept this programme as an invitation to join us in walking and fellowship.

All walks to commence from outside St Peter's Church at 9:00am, except for the months of December January & February when the walks commence at 10:00am.

All walks need strong footwear, full waterproofs, packed lunch and something to drink.

N.B. A reasonable level of fitness is required to complete what could be up to 9 miles.

Whilst the group try to accommodate people without transport, it must not be presumed that this facility can always be offered and it is advisable for those walkers who will require transport to make arrangements prior to the walk.

I lift up my eyes to the hills - where does my help come from?

My help comes from the LORD, the Maker of heaven and earth. (Ps 121:1-2 NIV)
