

THE LETTER FROM CLAUDIU:

Dear Kath and David,

With money you sent we buy for the families, oil for cooking, meat, flour, sugar, butter and for Ghicani's family we buy some chicken and tomato sauce, and we must go this week to Miclesti to see Romica. We had at Christmas time the family Petcu from Fruntiseni and the girls from Ghicani. We gave from the last pack you sent some shoes and boots for the girls from Fruntiseni. We also had the opportunity, to make a tour of the city with the car charged with gifts for the street children. We were able to find, not all of them but 20 of them and we give them presents, and sweets, and some children's book's with pictures about Jesus and Christmas. Unfortunatley I have no pictures from that. The card for the camera you gave me only came the next week, sorry. Ada ask me to tell you she thank you a lot (no words enough as I can see her how she speak) for the wonderful Christmas you offer to her. She is peaceful and she feel full of hope. Maybe those words are small and insignificant but 100% her prayers for you and for children, for ALL friends and lady from the school, May God bless you all. And I want to put here my thanks for giving me back my sweet. I can't imagine a day without her.

Again I thank you dear friends for praying and helping , material and spiritual speaking, for this wonderful present you make.

We love you and XXXXXXXX you all.

THE TRANSLATED LETTER FROM THE CHILDREN WHO WENT ON CAMP AND THEIR HANDWRITTEN ONE:

Dear David, Kath, Claudiu & Ada,

There are no words to thank you for all you do for us. Without your help we couldn't get out from our little world to see and know what other wonderful places are. We can not offer something else to you, only love, and our respect for all you do for us.

We are grateful because you show us your love in the most beautiful way, because you create the necessary condition in the camp, for the lost nights to protect us from bears and to offer us a sweet good night sleep. We thank you for the food you make every day and for offering all you have better.

Our Lady Kath, we thank you for your care you have for us, and because you don't forget us, for all wonderful things you send to us.

You make also us to feel special and important, you help us to get trust in ourselves, and strength to go forward in life. For us you are a guardian angel sent from above to help us.

Ada and Claudiu you are wonderful people for all you have done, because you offer your love and your friendship, because in the most difficult time we can come to you.

We thank for your existance, and we want you to know you are a part of us. You fill our souls with joy and offer wonderful memories. God bless you.

With respect.
