

GOOD NEWS FOR ROMANIA

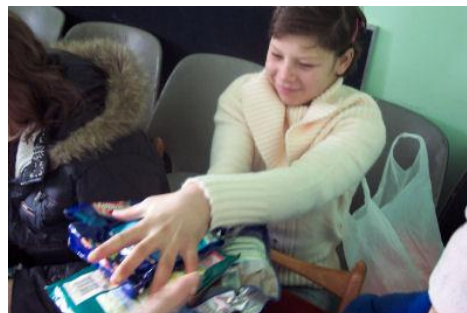

Dear Friends,

NEWS FROM ROMANIA – January 2009

Some news from Claudiu today, 5th January 2009

Mum from the Rosca family in Dealu Mare has had a baby boy, but unfortunately, she is very ill with mental problems. She has had to be admitted to hospital and the baby is now being cared for by her 18 yr old daughter, who is also caring for the other 3 younger children. Dad isn't coping too well and it seems he has no spirit to do very much. Claudiu found him a job before Christmas but he would not accept it, we don't know what is going on in his mind, but we just pray for that family. The children continue to go to the Church each Sunday and Ada and Claudiu ensure they get a good meal, and also clothing etc if they need it. Good News for Romania has been able to provide money to help with medical costs and also food for them. Claudiu and Ada are keeping a close eye on them! thank you to all who donate to help families like these. The children in the pictures you see all have problems in their family home, maybe Dad drinking too much, Mum away in Italy, or the other way round. There are many problems and these children are often left to care for themselves, again, Claudiu and Ada help as much as they can with the funding from GNFR – THANK YOU EVERYONE!

If you look on www.youtube.com

And type in Biserica Elim Dealu Mare – you will see some video from Claudiu and Ada Rosca of the children at the Sunday school in the village of Dealu Mare singing, its lovely to see familiar faces singing so beautifully.

**God bless you all.
