

## **The Mission Calendar 2018**

**Version 4 April 2018**

***"Mission is not just when we come together to put events on - it is part of our everyday life as Christians, living for Jesus on our Frontline.***

***This diary shows the times when we will come together as the people of God to join in mission together, but let's remember to encourage and support one another in our day to day walk with Jesus too."***
