

Prayer Pointers for the week beginning Sunday 21st February

Please pray about St Peter's Modern Entrance and Galleries:

- Thanks for generosity of many so far
- Missional importance of our buildings
- Successful grant outcome - £100,000 – 31 March
- The need for another £25,000 from donations
- Early summer start / closed building?
- Safety during construction
- Snag free!
- Welcoming building post COVID
- Opportunity to celebrate together!
- Community engagement

Please pray for St Peter's Church & Parish:

- For a renewed focus on God during Lent, as we prepare for Easter (individually and corporately), and our use of Lent resources.
- For those who are feeling isolated in our church and for opportunities to connect with them.
- For new people connecting to the life of our churches and for their welcome.
- For our children and young people, especially for the online work with our teenagers.
- For those who unwell or sad at this time in our fellowships.
- For the life and ministry of our Mission Partners, both in this country and overseas.
- For the current online Alpha Course, that people would find faith personally.
- For the leaders of our churches, including the Leadership Teams, that they would find renewed strength at this time to overcome fatigue.
- For the vision for Life Groups and for current small groups, that they might connect people and God.
- For thinking through the shape of our mission as a parish post-covid.
- For our preparation to welcome back people to our churches, both established and new people.
- For Easter and the opportunity it brings to make the gospel known.
